

# SAT Scores and Demographics

Jazlyn Ngo, Arwa Iqbal, Tiffany Nguyen,  
Justin Nguyen

**DATA CREATION RANGE:** 2000 - 2015

**CREATED BY:** U.S. Census Bureau

CORGIS Dataset Project

**SOURCE:** <https://www.kaggle.com/datasets/mexwell/us-school-scores>  
<https://datacenter.aecf.org/data/tables/81-children-who-speak-a-language-other-than-english-at-home#detailed/2/2-53/false/1095,2048,1729,37,871,870,573,869,36,868/any/396,397>

## USE CASES:

What trends are there between median household income and average SAT scores?

Do states with more English language speakers have higher average SAT scores?

How does gender and SAT score vary by state?

What regions score the highest on the SAT?

## DATA NUTRITION LABEL
